Hogan & Bed Breakfast

Come and spend a night with us!!

Take a step back in time and experience & learn the traditions of the Navajo People. Each individual will be provided with informative information regarding Navajo culture, story telling, Rug weaving and arts & crafts. Our Bed & Breakfast is like no other, you will experience.

The Hogan is a single-room dwelling that is an octagon structure made of juniper logs, clay (red mud) with earthen floor. It is well insulated and it stays cool in the summer and well heated in the winter time. Guests will be sleeping on sheep skins padding, if you need extra padding, you are more than welcome to bring your own sleeping bags and bring clothing that is comfortable to sleep in. Bring clothing that is appropriate to the weather.

A traditional Navajo breakfast will be provided. (Upon request) Or it will be a regular bed and breakfast. Remember, this is a remote area.

The accommodation is hardly luxurious; there is no electricity, no running water and no bathroom. (Only an outhouse) **Prior Reservations are required for Accommodation.**

There after \$15.00 per persons, up to the 6th person.
